Amity’s 30th Anniversary proceeds quickly. Over the past months Amity has organized events that facilitated social development and provided relief for the needy with extraordinary efforts. For more than one month, the Amity Foundation and local ACT Alliance partners have been providing disaster relief to people who were affected by the Nepal Earthquake.

Initial festivities of Amity’s 30th Anniversary took place in Hong Kong in May and will be followed by celebrations at the Amity headquarters in Nanjing in September with partners from China and from afar.

In spring, Amity Hong Kong organized the annual Walk for Living Water to raise awareness of the global water crisis and to bring relief to water deprived villages in Mainland China. More information about Amity’s latest events can be found in this electronic newsletter or the print publication Amity Outlook No.10. You may follow recent developments of the Church in China in the Chinese Theological Review No.26.
