The inauguration ceremony of the rebuilt Bethel Assembly Church in Nepal

Features

The article ‘Survivors have a long way to go in restoring their livelihood’ informs about Amity’s latest reconstruction projects after the Nepal earthquake, including the challenges and achievements. The article ‘Stand with the people of Nepal’ reviews the earlier relief work through an experience report of an Amity staffer. The latest Amity Outlook provides a summary about Amity’s engagement in Nepal.

On June 1, the world is celebrating the International Children’s Day. The day is designated to the material and psychological well-being of children worldwide. The article ‘We will always be with you’ explains the situation of underprivileged children in China and Amity’s approaches to support them. ‘Together we will face tomorrow’ reports about a visit of supporters to impoverished and through scholarships sponsored children.

Features

Uran Banner is a region that is characterized by a markedly bleak landscape. Women farmers are struggling to wrest a living from the soil. “With the cooperation of Amity we experience a completely new style of working”, tells Yuying. “We have learned that we achieve better successes when we integrate the local population from planning to implementation of projects.
